Some thoughts of our students:

*"As a 'servant of Christ' in China, I cannot tell how much I appreciated the Bible trainings I received at EBC...."* ~ Vick BALAKRISHNAN

*"... I feel truly blessed to be graduating from a highly academic college that wholly concentrates on the biblical teaching of God and encouraging each student to fulfill the purpose the Lord has willed in each of our lives."* ~ Patricia TEO

*"... I recommend those who want to serve God as a lay-person seriously consider pursuing MCM or the like, bearing in mind there will be hard work if you have a full-time job but definitely not boring."* ~ Simon CHAN

*"... in the past three years through the (MCM) courses I have learned alot and the Spirit exposed, stretched, challenged and convicted me alot as I grew to be more equipped for His purpose for my calling and ministry. I am still learning everyday and continue to be teachable and be more like Christ."* ~ Ps. JUNG Ho Jung

*"... The MCM study and its curriculum had been both enjoyable to learn and practical in nature. The course was well designed, coordinated and managed with the students' interest in mind."* ~ David SUN

*"It is a great blessing to be enrolled in the EBC's MCM programme. Throughout my two years of study, I have come to understand the Scriptures from different angles.
