

Ecclesia Bible College (English Extension)

NT Greek I

Date: 8 Sep – 1 Dec 2011 (Thu) 7:00 – 10:00 p.m.

Venue: ICA Tanner Road

Course Description:

Greek 1 equips students to become better interpreters of the Bible. Unlike traditional classes on Greek study which weighs heavily on memorization of words, paradigms and translations, this class uses already available data on Greek study so that students receive immediate benefit from every lesson learned. Students will be taught to read the Greek New Testament, the LXX, and other works using Greek terms. This course will benefit people who are already teaching, preaching, writing, and those who simply want to enrich themselves with God's Word.

Textbooks:

1. Mounce, William D. Basics of Biblical Greek: Grammar. 3rd ed. Grand Rapids: Zondervan, 2003.

- ◆ Homework Assignments (20%)
- ◆ Classroom Work and Quizzes (30%)
