

Ecclesia Bible College
(English Extension)
Master of Christian Ministry

Teaching Methodology

6 Sept – 6 Dec 2010 (Mon Evenings, 7-10pm)

ICA Tanner Road

This course introduces the philosophical underpinnings of Christian education. It explores instructional design principles and the teaching—learning process with a primary emphasis on creative and effective teaching methods.

- Develop a biblical foundation for teaching.
- Discover principles about teaching and learning that will help you develop effective units and lessons.
- Identify and apply effective teaching methods and strategies.
- Acquire skills and strategies for classroom management and lesson delivery for students of various ages from child to adult.

Instructor: Mr. Keith Welch

Keith holds a B.S. in Biblical Studies from Zion Bible Institute, Rhode Island and an M.S. in Literacy Education from the University of Southern Maine. He has 10+ years experience teaching in churches, public and Christian schools, and is presently an Assistant Principal at International Christian School in Hong Kong.
